

# ELENA SPARSHOTT

---

## ABOUT ME

I am an alumni of the School of Code. I focus on JavaScript building full-stack applications.

## SKILLS

JavaScript, React, CSS,  
HTML5, Node.js, Python,  
Postgres, GitHub, JEST.

## EXPERIENCE

### School of Code Bootcamp — November 2021 to present

My final SOC project was a fun app to learn maths and improve financial literacy. Called "Jelly" is includes a jelly sprite, a shop for accessories and music. All my projects are within my portfolio for viewing. I have also studied fundamental Python and some dart and flutter.

### Community Pharmacist — 2005-2022

I am a qualified registered pharmacist. My communication, problem solving and critical thinking skills have been very transferable into technology.

### Counter assistant and Dispenser — 1998-2004

Counter assistant and dispenser in community pharmacy.

## EDUCATION

### University of Portsmouth — Masters of Pharmacy 2:1 with Honours

**Masters of Pharmacy 2:1 with honours.**

**A Levels in Biology, Chemistry and Physics.**
