ELENA SPARSHOTT

ABOUT ME

I am a graduate of the School of Code software developer bootcamp, which is a 16 week intensive course to prepare for a career in software engineering. I focus on JavaScript building full-stack applications.

SKILLS

JavaScript, React, CSS,

HTML5, Node.js, SQL,

Postgres, GitHub, JEST.

EXPERIENCE

School of Code Bootcamp — November 2021 to present

My first team project was a pomodoro application with daily blog posts to record learning progress. My month project is a fun app to learn maths and improve financial literacy.

Prior to the bootcamp I self-studied Dart and Flutter and some Python.

Community Pharmacist — 2005-2022

I am a qualified registered pharmacist. I have been the responsible pharmacist running community pharmacies since 2005.

Counter assistant and Dispenser — 1998-2004

Counter assistant and dispenser in community pharmacy.

EDUCATION

University of Portsmouth — Masters of Pharmacy 2:1 with Honours

Masters of Pharmacy 2:1 with honours.

A Levels in Biology, Chemistry and Physics.
